

## **Privacy Policy**

This Privacy Policy (the "Policy") describes how Emma & Morris Sverige AB (the "Company") collects, stores, uses, and manages the information, including personal information, that you provide or the Company collects in connection with our portals, apps, API, etc. (collectively, the "Platform"). The scope of this Policy is limited to your use of the Platform.

The Company is not responsible for the actions of third-party entities, or their use of information you provide to them.

By using the Platform, you are expressing your agreement to this Policy and the processing of your data, including your personal information, in the manner provided in this Policy. If you do not agree to these terms, please do not use the Platform.

### **Information Collection and Use**

The Company may collect information, such as email address, phone numbers, device identifier, IMEI, and IP address to validate you as a registered user of our Platform. The Company may also retain a history of actions you perform using our Platform for audit trail purposes.

### **Disclosure of Your information**

The Company does not share your personal information with any third party.

### **Security**

The Company takes responsible measures to protect your information in a secure operating environment.

### **Changes to Privacy Policy**

We reserve the right to change this Policy at any time. Changes to this Policy will be posted on this page, and shall become effective on the date of post.
